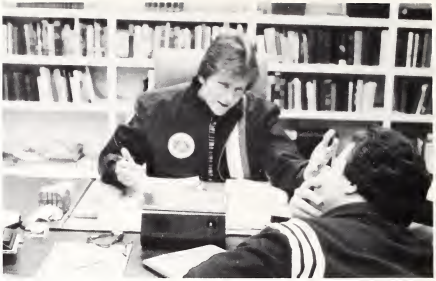
STUDENT LIFE

If you think Bro. Gilley looks bad here, you should see him on his bad days!



In all confidentiality, as General Overseer to State Overseer, just grin and bear it.

This food makes me hallucinate, I think I see stars!

Look ma, no cavities!

I just washed my hair and I can't do a thing with it.

All I want for Christmas is my two front teeth.

I want my mommy!

Well, get over it!

Be sober, be vigilant for your adversary, the Financial Director walketh about seeking whom he may devour.

Sometimes I feel like a motherless child.

MASS SUICIDE!

Craig's got his eye on you.

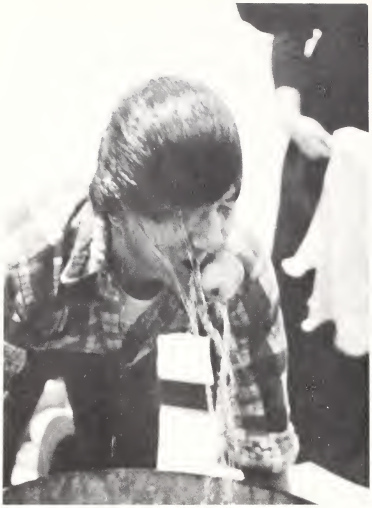
Three HRC's

Clark's Saturday morning appointment at the beauty shop.

It seems like I've seen this stuff before!

Now where did I park my cow?

Oh, Beaulah Land!



Tim Lanier, you're all washed up!

Granddaddy, you've got to do something about those volleyball scores!

Take a little time to be holy

"Give me your name and the town that you're from."

But I don't want to go to Apologetics.

Oh God, sanctify these apples!

The best Jean's ever looked

Zorro rides again!

CONGRATULATE THE CLASS OF 1979
ON REACHING
THIS MILESTONE IN ITS
EDUCATIONAL ASPIRATIONS

Keep On Keeping On

The harder the thing is to do
The greater the joy when it's done,
The farther the goal is from you
The sweeter the thrill when it's won.

The deeper the problem, the more
Is the joy when you've puzzled it out;
The seas that run fartherest from shore
Are only for ships that are stout.

Men weary of lessons they've learned
And tire of the tasks they can do.
Life it seems is forever concerned
With blazing a path to the new.

So stand to the worry and care.
Everlastingly keep going on.
The greater the burden you bear,
The greater the joy when it's done.
